

All information provided in this tour dossier is subject to change without prior notice. Changes would always be in consideration of your safety first and a better quality experience where possible. Overnight accommodation stops can change without prior notification, depending on road or weather conditions or any unforeseen circumstances. While every effort has been made to ensure the accuracy of the properties listed in this dossier, these are to be used as a guideline only. We recommend that you download the most up to date version of this tour dossier one week prior to your tour departure date, however, changes are possible within 7 days prior to your tour departure.

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the [PRE DEPARTURE INFORMATION](#) booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour

PCR Testing / Requirements

All guests participating in this tour will be required to produce a **valid negative PCR test** or undertake a PCR test, prior to departure (regardless of vaccination status, for all countries visited on this tour).

- Nomad will not permit any antigen/antibody testing to be undertaken at any border crossing.
- All costs associated with PCR testing will be for the guests' own account.

South Africa (This tour begins in South Africa)

South Africa currently requires a valid PCR negative test no more than 72 hours from the date of test, upon arrival in South Africa.

- As this tour does not cross into other countries, there will be no pre-planned testing required on the morning of departure.

All guests departing from South Africa immediately after this tour will be responsible for ensuring that they adhere to the requirements of their next destination.

Nomad does not take any responsibility for PCR testing results. Nomad is acting as a facilitator to assist our guests to help obtain a test and all tests are undertaken by independent laboratories. In the event of a positive test result being received by a guest – the guest will be asked to sign off of the tour and undertake self-isolation at his/her own expense. All arrangements of self-isolation will be made by the guest.

Due to additional measures put in place for PCR testing, it is possible that additional delays at border crossings will be experienced and that itinerary items will be offered earlier or later. We ask for your understanding as these delays are beyond our control.

Green Seats – Travel Responsibly in Africa

Nomad has a non-profit Trust that looks after the people, animals and places that we visit. We realise that a footprint is left where we travel and for this reason, the Nomad Africa Trust was established. Your donation to the Trust is called a “Green Seat”. If you would like to help Nomad making Africa Greener, simply choose the tick box during your booking process (or contact us afterwards to add it) and we will take care of the rest. The Nomad African Trust is responsible for the administration of the funds collected from the sale of the green seats and these funds are distributed to various projects as identified by the Trust.

TOUR ITINERARY

Please note that during the next few days (while we are visiting Kruger National Park), the order of activities could change without prior notice and a degree of flexibility is needed. This is to allow for maximum game viewing opportunities and experiences.

Day 1 – Johannesburg to Great Kruger National Park Area

Leaving the city of Johannesburg behind us we make our way east through the coalfields of Mpumalanga. Our journey today follows in the footsteps of the old trade-routes to the Lowveld and the Kruger National Park. We set up camp at our base for the next three nights and enjoy a lovely sundowner drive.

Day 2 – Kruger National Park

Rising early this morning we enter the Kruger National Park to enjoy a full-day of game viewing. The abundance of wildlife presents us with opportunities for excellent sightings, while the Kruger is also home to the famed members of Africa's Big-5. The game drive offers the excitement of experiencing the park from an open-sided 4x4 vehicle.
