Changes would always be in consideration of your safety first and a better quality experience where possible. Overnight accommodation stops can change without prior notification, depending on road or weather conditions or any unforeseen circumstances. While every effort has been made to ensure the accuracy of the properties listed in this dossier, these are to be used as a guideline only. We recommend that you download the most up to date version of this tour dossier one week prior to your tour departure date, however, changes are possible within 7 days prior to your tour departure.

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the **PRE DEPARTURE INFORMATION booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour.**

Day 1 – Masai Mara National Reserve

We leave the capital of Nairobi and travel to the Masai Mara, world renowned for its endless plains of wild animals and spectacular beauty. The visit to the Masai Mara is operated in safari type vehicles and not the Nomad truck. For this reason, you are asked to pack a small overnight bag to travel with. You will need your towel, clothes, toiletries and camping essentials.

Some of the animals that could be found here include elephant, black rhino, buffalo, leopard, cheetah, wildebeest, zebra and gazelle. Hippo and crocodile abound in the muddy brown waters of the rivers, which traverse this reserve. Today we will spend the entire day game driving through the Mara in search of all the animals.
