

All information provided in this tour dossier is subject to change without prior notice. Changes would always be in consideration of your safety first and a better quality experience where possible. Overnight accommodation stops can change without prior notification, depending on road or weather conditions or any unforeseen circumstances. While every effort has been made to ensure the accuracy of the properties listed in this dossier, these are to be used as a guideline only. We recommend that you download the most up to date version of this tour dossier one week prior to your tour departure date, however, changes are possible within 7 days prior to your tour departure.

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the [PRE DEPARTURE INFORMATION](#) booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour

PCR Testing / Requirements

All guests participating in this tour will be required to produce a **valid negative PCR test** or undertake a PCR test, prior to departure (regardless of vaccination status, for all countries visited on this tour).

- Nomad will not permit any antigen/antibody testing to be undertaken at any border crossing.
- All costs associated with PCR testing will be for the guests' own account.

Botswana (This tour beings in Botswana)

Botswana requires a valid PCR test of no more than 72 hours, which means all guests are required to be in possession of a valid PCR negative test upon entry into Botswana.

- All guests will be required to test in the town of Kasane (day 3). The test will be done onsite at our overnight accommodation by a certified company.
- The cost of the PCR test ±BWP950 (Botswana Pula) will be payable in cash or by credit card at the time of the test being administered. Please ensure your credit card is in working order or you have the correct cash in Botswana Pula currency.

Zimbabwe (This tour crosses the border into Zimbabwe on day 5 of the itinerary)

All guests entering Zimbabwe are required to product a negative PCR test valid no more than 48 hours. All guests will be taken to a PCR testing station in Kasane, prior to entering Zimbabwe.

- On leaving Zimbabwe, you will be required to present a negative PCR test, issued no more than 48 hours prior to boarding your flight. This is a requirement by the Zimbabwean authorities.
- No testing support will be offered/arranged for guests upon arrival in Victoria Falls by Nomad, however, you can liaise with the front desk team at Shearwater Explorers Village for further assistance, based on your exit date. Cost is ±USD70pp. Shearwater Explorers Village will assist in contacting the Lancet Lab and a nurse will be sent at the next available time slot to administer the PCR test.
- We strongly suggest that you liaise with the front desk as soon as you have check into the establishment.

Nomad does not take any responsibility for PCR testing results. Nomad is acting as a facilitator to assist our guests to help obtain a test and all tests are undertaken by independent laboratories. In the event of a positive test result being received by a guest – the guest will be asked to sign off of the tour and undertake self-isolation at his/her own expense. All arrangements of self-isolation will be made by the guest.

Due to additional measures put in place for PCR testing, it is possible that additional delays at border crossings will be experienced and that itinerary items will be offered earlier or later. We ask for your understanding as these delays are beyond our control.

Green Seats – Travel Responsibly in Africa

Nomad has a non-profit Trust that looks after the people, animals and places that we visit. We realise that a footprint is left where we travel and for this reason, the Nomad Africa Trust was established. Your donation to the Trust is called a "Green Seat". If you would like to help Nomad making Africa Greener, simply choose the tick box during your booking process (or contact us afterwards to add it) and we will take care of the rest. The Nomad African Trust is responsible for the administration of the funds collected from the sale of the green seats and these funds are distributed to various projects as identified by the Trust.

TOUR ITINERARY**Day 1 – Greater Moremi Game Reserve Area**

As we will be travelling on smaller vehicles for the next 3 days, it is recommended that you pack a smaller overnight bag with essentials as space is limited. Your main luggage item will be placed in a locker on the Nomad truck, which you will be able to access on day 4.

Today you will meet your crew and fellow travellers and will have the opportunity to participate in an optional scenic flight over the Okavango Delta (weather permitting). After your optional scenic flight, you will board the 4x4 type safari vehicles which will head towards the Greater Moremi Game Reserve Area. This evening our guide will prepare us on what to expect for our mokoro excursion into the Okavango Delta and our game drive in Moremi Game Reserve.

Day 2 - Greater Moremi Game Reserve Area

Heading out early, we transfer by safari vehicle, to the poling station, where we will meet the polers who will be escorting us into the Delta. The polers will steer us through the serene area of narrow, reed lined channels which open out onto beautiful lagoons. Reaching one of the many islands, a nature walk may be taken with your pole and after the walk, we return by mokoro through the channels back to the poling station. While the mokoro trail is not primarily a game viewing activity, a variety of game may be spotted in this pristine wilderness area, including elephant, giraffe, kudu, impala and zebra. After lunch, we will return to Moremi Game Reserve for our afternoon game drive which will be conducted in open 4x4 safari vehicles. The game viewing routes chosen during the afternoon by the professional guide may vary especially when high floods are experienced as certain roads may be closed or impassable.

Day 3 – Savuti Game Reserve

The Savuti Game Reserve is a unique area bordered by the Okavango Delta to west and Chobe National Park to the east. Savuti is renowned as a big game area and known for having the largest concentrations of wildlife in Southern Africa. Today we will spend most of our day travelling through the Savuti Game Reserve in search of the species that roam the plains. Offering habitats from wetland, open water to the grasslands and Savannah woodland, we hope to see as many species of fauna and flora possible. This afternoon we arrive on the banks of the Chobe River and will be re-united with our Nomad truck in the town of Kasane.

Day 5 - Zimbabwe -Victoria Falls

With the memories of our wildlife encounters firmly etched in our minds, we cross the border into Zimbabwe this morning and travel the short distance to Victoria Falls. Today you have the opportunity to visit the spectacular Victoria Falls at your leisure, also known by the local name of “Mosi-oa Tunya” (the smoke that thunders). While much of today is dedicated to viewing the mighty Zambezi River as it drops into the Batoka Gorge below, the bustling adventure town of Victoria Falls also offers a range of optional activities for those wanting a dose of adrenaline in the afternoon. For the more relaxed traveller there are craft markets and coffee shops on offer as well.
