

All information provided in this tour dossier is subject to change without prior notice, changes would always be in consideration of your safety first and a better quality experience. This would be where we are able to make improvements, sometimes last-minute decisions due to the nature of the tour/event. Overnight accommodation stops can change depending on road or weather conditions or any unforeseen circumstances. While every effort has been made to ensure the accuracy of the properties listed in this dossier, these are to be used as a guideline only. We recommend that you download the most up to date version of this tour dossier one week prior to your tour departure date.

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the PRE DEPARTURE INFORMATION booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour.

Activity Package

This is an optional payment that covers what we consider to be 'essential activities' on our tours. Ideally we would include all of these, but not everyone can afford this. This payment is 100% transparent and is listed below. The Activity Package must be pre-booked along with your tour booking. We cannot always guarantee availability of the activities if you only book on the morning of your tour departing.

If you are travelling as a single supplement guest and have purchased the single supplement, please note that the single supplement does not cover any Activity Package items which include accommodation. All items booked under the Activity Package are booked on a per person sharing basis and you will not be entitled to a single room during these activities.
