

All information provided in this tour dossier is subject to change without prior notice. Changes would always be in consideration of your safety first and a better quality experience where possible. Overnight accommodation stops can change without prior notification, depending on road or weather conditions or any unforeseen circumstances. While every effort has been made to ensure the accuracy of the properties listed in this dossier, these are to be used as a guideline only. We recommend that you download the most up to date version of this tour dossier one week prior to your tour departure date, however, changes are possible within 7 days prior to your tour departure.

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the **PRE DEPARTURE INFORMATION booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour.**

Okavango Delta Excursion

Included in the tour price is a full day excursion into the Okavango Delta, however, a 2-night package is available for purchase, should you wish to spend 2 nights in the Okavango Delta. In order to ensure availability of this optional activity, we request that you pre-book and pre-pay this activity together with your tour purchase. Single supplement charges paid on the Nomad tour do not cover the Okavango Delta excursion and if a single traveller is participating in this optional activity, the single supplement will need to be charged. We will try our best to pair up guests during the 2-night excursion, however if this is not possible, the single supplement will be compulsory. If you have chosen the 2-night package, please note that you will not participate in the Moremi Game Reserve game drive. A minimum number of 2 guests is required in order for the 2-night excursion to operate.

At the time of booking, our reservations team will inform you which property has been secured for the particular date of your tour departure.

Day 5 – Okavango Delta

The most rewarding and enjoyable way to explore and experience the beauty and serenity of this intricate system of lily covered channels and lagoons is by mokoro. Heading out early, we will be transferred by safari vehicle to the poling station (approximately 1 hour transfer) where we will meet the polers who will be escorting us into the Delta. The polers will steer us through the serene area of narrow, reed lined channels which open out onto beautiful lagoons. Reaching one of the many islands, a nature walk may be taken with your poler. After the walk, we return by mokoro through the channels back to the mooring station. While the mokoro trail is not primarily a game viewing activity, a variety of game may be encountered in this pristine wilderness area including elephant, giraffe, kudu, impala and zebra. *Those guests who have pre-purchased the 2-night package – will be flown into the Delta this morning and will re-join the group on the morning of day 7. Please speak to your consultant for a copy of the programme for your Okavango Delta Excursion. Those guests who have purchased the 2-night excursion will not be participating in the Moremi Game Reserve game drive.*

Day 6 – Maun

You will be collected from the hotel before first light and we will drive to the South gate to enter Moremi Game Reserve. As the lagoons and channels form a vital section of the Okavango Delta eco-system, sightings of bird and animal populations become more frequent as the day progresses. The game viewing routes chosen on the day by the professional guide may vary especially when high floods are experienced as certain roads may be closed or impassable. Your tour comes to an end when we return to Maun after the Moremi game drive.
