Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the PRE DEPARTURE INFORMATION booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour.

Day 4 – Okavango Delta

The most rewarding and enjoyable way to explore and experience the beauty and serenity of this intricate system of lily covered channels and lagoons, is by mokoro. Heading out early, we will be transferred by safari vehicle to the poling station (approximately 1 hour transfer) where we will meet the polers who will be escorting us into the Delta. The polers will steer us through the serene area of narrow, reed lined channels which open out onto beautiful lagoons. Reaching one of the many islands, a nature walk may be taken with your poler. After the walk, we return by mokoro through the channels back to the mooring station. While the mokoro trail is not primarily a game viewing activity, a variety of game may be encountered in this pristine wilderness area including elephant, giraffe, kudu, impala and zebra. *Those guests who have pre-purchased the 2-night package – will be flown into the Delta this morning and will re-join the group on the morning of day 6.
