

All information provided in this tour dossier is subject to change without prior notice, changes would always be in consideration of your safety first and a better quality experience. This would be where we are able to make improvements, sometimes last-minute decisions due to the nature of the tour/event. Overnight accommodation stops can change depending on road or weather conditions or any unforeseen circumstances. While every effort has been made to ensure the accuracy of the properties listed in this dossier, these are to be used as a guideline only. We recommend that you download the most up to date version of this tour dossier one week prior to your tour departure date.

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the PRE DEPARTURE INFORMATION booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour.

TOUR ITINERARY

Day 1 - Arusha

Leaving behind the bustle of Nairobi we travel south to the Tanzanian border, after completing border formalities we continue to Arusha which provides the base for our optional Serengeti Excursion. This evening we will be briefed by our local operator on the Serengeti Excursion and we will have the opportunity to pack for the coming days. A smaller daypack or bag will be required for the Serengeti Excursion as it is operated on smaller vehicles and luggage space is limited. The Serengeti Excursion is offered only as a camping excursion and sleeping bags are available for hire.

For those are not taking part in the optional Serengeti Excursion, you will remain at the lodge in Arusha. This presents the opportunity for a variety of Day Tours that can be booked on arrival in Arusha this afternoon, these include Day Tours to Arusha National Park, Tarangire and Lake Manyara. For those who prefer to immerse themselves in the Maasai Culture, why not join a 2-day trip to Olpopongi Maasai Village. All activities are optional and as subject to availability with the service provider. Optional excursions can be booked through local operators like Tanzania Experience www.tanzania-experience.com or Tanzania Expeditions www.tanzania-expeditions.com. Pre-booking is not essential, but may be advisable to ensure availability of your preferred option. *Meals are not included for those not participating in the Serengeti excursion.*

Day 2 – Serengeti & Ngorongoro Crater Excursion

The following days are set aside for the 3-night optional camping excursion into the Serengeti National Park and Ngorongoro Crater. This area has one of the most densely inhabited large animal populations in Africa. The Serengeti excursion is in open topped 4x4 safari vehicles in order to tackle the challenging side roads in the parks. We leave our accommodation in the morning and drive to the Serengeti. On arrival we will start with our first game drive. The campsites we visit are fully owned by the Tanzania National Parks Board. Over 90,000 tourists visit the Serengeti National Park annually. These facilities are sadly not sufficiently maintained by the Parks Board and we have attempted to offer our services to improve the situation, however our offers were not accepted. We do ask that you have an open mind when visiting the ablutions in the Serengeti National Park. Please supply your own wet wipes and toilet paper.
