Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the [PRE DEPARTURE INFORMATION](#) booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour

Green Seats – Travel Responsibly in Africa

Nomad has a non-profit Trust that looks after the people, animals and places that we visit. We realise that a footprint is left where we travel and for this reason, the Nomad Africa Trust was established. Your donation to the Trust is called a "Green Seat". If you would like to help Nomad making Africa Greener, simply choose the tick box during your booking process (or contact us afterwards to add it) and we will take care of the rest. The Nomad African Trust is responsible for the administration of the funds collected from the sale of the green seats and these funds are distributed to various projects as identified by the Trust.

TOUR ITINERARY

Day 1 - South Africa – Cederberg Region

Leaving Cape Town we make a last stop for a look back at Table Mountain from across Table Bay. No road trip is complete without a stop at a traditional “Padstal”, these small farm stalls dot the byways of South Africa and offer a variety of homemade treats and bakes. The Cedarberg region not only boasts spectacular mountains and orange farms, but it is also the home of the Rooibos bush. Indigenous to the mountain slopes of the Cedarberg, this herbal beverage has earned an international reputation as a healthy and refreshing alternative to regular tea. A dinner at our overnight stop offers an opportunity for us to get acquainted while enjoying some South African hospitality.

If you are fortunate enough to be travelling in the spring months (July to September) you may encounter the wild flowers that have made this region famous. No matter the time of year though, the strange desert vistas offer a unique backdrop to this day's travel.

Day 3 - Namibia – Gariep (Orange) River

While the Orange River was named after the Dutch Royal House, in recent times it has been referred to by its original name of Gariep, which simply means “river” in the indigenous Khoekhoe language. Beginning its journey in the mountains of Lesotho, the Orange River is the longest river in South Africa and offers a unique contrast to the desert landscapes along its banks. The best way to experience the river is by getting out on the water and this morning we have the opportunity to join an optional canoe trip on the river. Around midday (after lunch) we depart the Orange River and head inland to our overnight stop. At Ais Ais, you will have the opportunity to enjoy the mineral and sulphur rich hot springs.

Our afternoon will be spent meandering through the Quiver Tree Forest and The Giants Playground – named for the way in which the massive dolerite boulders have been placed on each other - creating rock formations and a series of mazes.

We then visit the renowned Seal Colony at Cape Cross, known as the largest in the world with over 200,000 Cape Fur Seals hugging the shore. Cape Cross marks the spot where the first European explorer set foot on the coast of Namibia in 1486, and was erected in honour of the then king of Portugal by explorer Diego Cao. (Please note that the Cape Cross Colony may be inaccessible at times which means that we will not be able to visit the seals.) The road then continues away from the coast and takes us towards the Khorixas area where we will explore the Twyfelfontein Rock Engravings and the Petrified Forest in the Kunene Region with a local guide.
