Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

**Please ensure that you have downloaded and read a copy of the **PRE DEPARTURE INFORMATION** booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour.**

## TOUR ITINERARY

### Day 1 - South Africa – Cederberg Region

Leaving Cape Town we make a last stop for a look back at Table Mountain from across Table Bay. No road trip is complete without a stop at a traditional “Padstal”, these small farm stalls dot the byways of South Africa and offer a variety of homemade treats and bakes. The Cedarberg region not only boasts spectacular mountains and orange farms, but it is also the home of the Rooibos bush. Indigenous to the mountain slopes of the Cedarberg, this herbal beverage has earned an international reputation as a healthy and refreshing alternative to regular tea. A dinner at our overnight stop offers an opportunity for us to get acquainted while enjoying some South African hospitality.

While the Orange River was named after the Dutch Royal House, in recent times it has been referred to by its original name of Gariep, which simply means “river” in the indigenous Khoekhoe language. Beginning its journey in the mountains of Lesotho, the Orange River is the longest river in South Africa and offers a unique contrast to the desert landscapes along its banks. The best way to experience the river is by getting out on the water and this morning we have the opportunity to join an optional canoe trip on the river.
