Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the [PRE DEPARTURE INFORMATION](#) booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour

Green Seats – Travel Responsibly in Africa

Validity: 2022 – 2023 | Victoria Falls Version

Nomad has a non-profit Trust that looks after the people, animals and places that we visit. We realise that a footprint is left where we travel and for this reason, the Nomad Africa Trust was established. Your donation to the Trust is called a “Green Seat”. If you would like to help Nomad making Africa Greener, simply choose the tick box during your booking process (or contact us afterwards to add it) and we will take care of the rest. The Nomad African Trust is responsible for the administration of the funds collected from the sale of the green seats and these funds are distributed to various projects as identified by the Trust.

After meeting your crew and fellow travellers, we travel east to neighbouring Botswana and the Kalahari Desert. Starkly different to the Namib Desert after which Namibia is named, the Kalahari is no less dramatic and covers over 900 000 square kilometres. You will be separated from your Nomad truck for the next 2 nights and it is therefore important that you pack/gather your personal belongings which you may need, before we depart for Maun today as there is limited time in Maun for re-packing and storing. Please pack lightly and only take what you need for the following two nights. This morning we rise early and make our way towards Maun, where upon arrival in Maun you will have the opportunity to go on an optional scenic flight over the Delta (time and weather permitting). After your optional flight, you will be collected from Maun and will be transferred to the Khwai Conservation area in smaller safari type vehicles. Heading out early, we transfer by safari vehicle, to the poling station, where we will meet the polers who will be escorting us into the Delta. The polers will steer us through the serene area of narrow, reed lined channels which open out onto beautiful lagoons. Reaching one of the many islands, a nature walk may be taken with your pole and after the walk, we return by mokoro through the channels back to the poling station. While the mokoro trail is not primarily a game viewing activity, a variety of game may be spotted in this pristine wilderness area, including elephant, giraffe, kudu, impala and zebra. After lunch, we will return to Khwai Conservation area for our afternoon game drive which will be conducted in open 4x4 safari vehicles. The game viewing routes chosen during the afternoon by the professional guide may vary especially when high floods are experienced as certain roads may be closed or impassable.

Today is a long day as we spend most of our day travelling through the Savuti Game Reserve in search of the species that roam the plains. Expect some bumpy roads as we traverse this wilderness area in our 4x4 vehicles. Offering habitats from wetland, open water to the grasslands and Savannah woodland, we hope to see as many species of fauna and flora possible.
