Changes would always be in consideration of your safety first and a better quality experience where possible. Overnight accommodation stops can change without prior notification, depending on road or weather conditions or any unforeseen circumstances. While every effort has been made to ensure the accuracy of the properties listed in this dossier, these are to be used as a guideline only. We recommend that you download the most up to date version of this tour dossier one week prior to your tour departure date, however, changes are possible within 7 days prior to your tour departure.

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the [PRE DEPARTURE INFORMATION](#) booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour

Pre-Tour Meet Up

Join us for an optional pre-tour meet up from 17:00 to 19:00 the evening before departure, in the reception area of the DoubleTree by Hilton Upper Eastside Hotel (official departure point). It's a great chance to meet your fellow travellers and our crew, ask any questions about the tour, and complete any last-minute paperwork in a relaxed setting. Attending will help you feel more prepared and connected before the adventure ahead. If you can't make it due to prior commitments, don't worry—the morning meeting on departure day will still be available to finalize everything.

Green Seats – Travel Responsibly in Africa

Nomad has a non-profit Trust that looks after the people, animals and places that we visit. We realise that a footprint is left where we travel and for this reason, the Nomad Africa Trust was established. Your donation to the Trust is called a “Green Seat”. If you would like to help Nomad making Africa Greener, simply choose the tick box during your booking process (or contact us afterwards to add it) and we will take care of the rest. The Nomad African Trust is responsible for the administration of the funds collected from the sale of the green seats and these funds are distributed to various projects as identified by the Trust.

TOUR ITINERARY

Day 1 - South Africa – Cederberg Region

Leaving Cape Town we make a last stop for a look back at Table Mountain from across Table Bay. No road trip is complete without a stop at a traditional “Padstal”, these small farm stalls dot the byways of South Africa and offer a variety of homemade treats and bakes. The Cedarberg region not only boasts spectacular mountains and orange farms, but it is also the home of the Rooibos bush. Indigenous to the mountain slopes of the Cedarberg, this herbal beverage has earned an international reputation as a healthy and refreshing alternative to regular tea. A dinner at our overnight stop offers an opportunity for us to get acquainted while enjoying some South African hospitality.

If you are fortunate enough to be travelling in the spring months (July to September) you may encounter the wild flowers that have made this region famous. While the Orange River was named after the Dutch Royal House, in recent times it has been referred to by its original name of Gariep, which simply means “river” in the indigenous Khoekhoe language. The best way to experience the river is by getting out on the water and this morning we have the opportunity to join an optional canoe trip on the river. Around midday (after lunch) we depart the Orange River and head inland to the Fish River Canyon, the longest river in Namibia and the largest Canyon in Africa. We will drive to the rim of the Fish River Canyon and have an opportunity to stretch our legs with a gentle walk along the rim of the canyon. Afterwards, we turn west and head for Keetmanshoop where we will overnight.

Day 4 – Quiver Tree Forest, Giants Playground, Namib-Naukluft National Park

Our morning will be spent meandering through the Quiver Tree Forest and The Giants Playground – named for the way in which the massive dolerite boulders have been placed on each other - creating rock formations and a series of mazes. Every overland journey has some long travelling days and today is one of those as we venture deeper into the Namib Desert. Our destination is the dune fields that cover the western reaches of the desert. Long dusty roads and sparsely populated farmlands offer us an insight into the vastness of rural Namibia. From the grasslands in the east to the red dunes of the west the slowly changing landscapes represents the many faces of this desert country. We spend the next two nights on the doorstep of the dune fields and fall asleep to the unique calls of the elusive Barking Gecko.
