Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the [PRE DEPARTURE INFORMATION](#) booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour

Green Seats – Travel Responsibly in Africa

Nomad has a non-profit Trust that looks after the people, animals and places that we visit. We realise that a footprint is left where we travel and for this reason, the Nomad Africa Trust was established. Your donation to the Trust is called a "Green Seat". If you would like to help Nomad making Africa Greener, simply choose the tick box during your booking process (or contact us afterwards to add it) and we will take care of the rest. The Nomad African Trust is responsible for the administration of the funds collected from the sale of the green seats and these funds are distributed to various projects as identified by the Trust.
